

Written Assignment: Module 4

Be sure you have read all the assigned material and reviewed the web resources for module before starting the assignment. Students are strongly encouraged to use all supplemental readings, web sites, and learning activities. Once you have completed the assignment, please submit to the designated drop box in Learn@UW.

Please submit your assignment as a Word file. Please set the page to 1 inch margins and use an 11 or 12 pt font (Arial or Times Roman). Be sure to save your assignments with your last name and course number in the file name (e.g. smith_course number).

Biomechanics Homework

Levers in the Human Body

Complete the chart below by identifying a human lever for each of the types of levers. Which type of lever do you use most often? For which activity (ies)?

		Points Possible	Points Received	Comments
Requirements	Followed assignment requirements of order, typewritten, few errors	3 pts		
	Correctly matched levers	3 pts		
	Thoughtfully answered question	4 pts		
Total Points		10pts
