

Announcing the

2015 Wisconsin Without Borders Awards Ceremony

Celebrating and recognizing globally-engaged scholarship and reflection at the University of Wisconsin-Madison.

Friday, April 24 | 9:00 - 10:30am
Wisconsin Idea Room (159), Education Building

Join us to celebrate UW-Madison faculty, staff and students who have demonstrated excellence in interdisciplinary engagement that places local communities at the center of their work, blurring the borders between the university and the community. Wisconsin Without Borders recognizes, through its award categories, work that demonstrates Service Learning, Community Based Research, and Multimedia examples of reflection in action.

Come and celebrate with us this year's award winners. Refreshments will be served.
